Healing Politics

Message from the Founders

Healing Politics is proud to invite you to be part of a ground-breaking event: the first-ever Campaign School for Nurses & Midwives.

In its first year, **Healing Politics** has captured the attention of nurse leaders across the country. Association professionals, academic leaders, nurse executives and innovators are becoming champions of our nonpartisan mission: **to inspire, motivate and train nurses and midwives to run for elected office up and down the ballot, while building a culture of civic engagement within the professions.**

The inaugural group of nurses and midwives who will come together for this highly anticipated **three-day event** will be thought leaders in the professions. Their work (and their networks) will shape health care strategies for years to come. **This is your opportunity to get in on the ground floor of this exciting new effort.**

In addition to the sponsorship opportunities described here, we are also happy to talk with you about other ways you might wish to showcase your mission and how it overlaps with ours.

Lisa Summers and Kimberly Gordon
Co-Founders, Healing Politics

Sponsorship for this Unique Event and Start-up Nonprofit

- **The Campaign School**, as organized by Healing Politics, promises to be a **highly influential series of annual events.**
- The participants in and outcomes of the inaugural training program will be widely publicized within the **nursing, midwifery and healthcare communities** as well as throughout **politics, the political science, and policy making communities.**
- Your support will help defray the cost of organizing and participating in **this innovative and influential event.**
- We are committed to ensuring that those attending the school are a **diverse group of nurses and midwives from across the country, who bring a variety of lived experiences to the table.** We know that these clinicians may not have the financial resources to cover all of the expenses associated with this event, including travel, lodging, and tuition. **Your sponsorship will enable us to provide subsidies for this charitable purpose.**

Healing Politics is a 501(c)3 cross-partisan, educational organization. To discuss sponsorship, please contact Lisa Summers at lisa.summers@healing-politics.org or Kimberly Gordon at kimberly.gordon@healing-politics.org.
